Oh, I'm sorry, you are right. Joan does have a call with HQ at 8, but it's just her. Gina is going up there to sit with her on the call.

Thanks, Michael –

Gina said the 8am was a call with Region 6. Has that been changed to a call with Joan? If so, I'll come down.

Sarah E. Bahrman | Acting Director, Water Program | U.S. Environmental Protection Agency - Region 8

Hi:

I think you've received this already, but just in case. Laura F is working on an update and that should go out to the distribution list and the EPA OSC website also. You have to log in to see it, I believe. Also, there is an update meeting for Joan Card at 8 this morning. Thanks!

-Michael
